Cooperativa Muratori & Cementisti – C.M.C. di Ravenna secures new €31m order in Morocco.

Cooperativa Muratori & Cementisti – C.M.C. di Ravenna, the leading Italian construction group, has been awarded a new €31 million project in Morocco promoted by the Moroccan National Ports Agency - North Atlantic Regional District and the Port of Mohammedia Authority. The project will be executed in joint venture with *Seprob Casablanca* and *Slimar* of Chioggia (Venice - Italy).

The project mainly includes the construction of new mooring facilities in the Port of Mohammedia for large ships transporting LPG, a new unloading platform with large reinforced concrete containers, more than 5,000 tons of steel logistic facilities (vehicular bridges, footbridges and support stands for the LPG cables).
