Cesena Ring Road opened for traffic

On 27 February 2008 the Lot II of Cesena Ring Road has been opened for traffic. Several authorities attended the opening ceremony: the Deputy Minister of Finance Mr. Roberto Pinza, the Chairman of Anas Mr. Pietro Ciucci, the Transport district Councillor Mr. Alfredo Peri, the Chairman of Forli-Cesena Province Mr. Massimo Bulbi and the Major of Cesena Mr. Giordano Conti.

Cmc, that executed the works as leader of the JV with Consorzio Cooperative Costruzioni (through cooperative Iter), was represented by the CEO Mr. Vittorio Morigi, the General Manager Mr. Dario Foschini and the Project Manager Mr. Vladimiro Cervellati.

The opened road represents a main stretch of the overall Cesena Ring Road project consisting of four lots, two of which already executed and opened for traffic.

The Cesena Ring Road project is aimed at reducing the increasing traffic of the existing local road network.

Lot II, executed by Cmc has an overall length of 2.434 meters and includes a viaduct consisting of 12 spans of 335 meters length, two underpasses (72 meters) and "Vigne" tunnel (1.581 meters).

Vigne tunnel, excavated inside an inhabited area, is fitted with a special air filtration system that will assure the pulling down of thin powders to avoid air pollution.
